Head Teacher / President Report Oct 2022

Overview of 2021/2022

Head Teacher report to Friends AGM.

Out of all the reports that I have to write, this one is always the easiest to put together. I and the school are so lucky to have such a dedicated and well led Friends group who once again have supported the school and the children to help make Bishops Cannings the wonderful place it is.

Yet again, 2021/22 was a really busy year and so many of the events held both in and out of the school have proved to be enjoyable and successful in raising funds for our children. We had big money spinners and small money spinners, but regardless of the outcome, the one consistent thing was the enthusiasm and effort put in by all the friends and volunteers that stepped up to help.

I'm sure that Georgina will remind us of all the events that have gone on this last academic year, but for me the overarching theme is the positivity, enthusiasm and joy the team show when organising and running these events.

There is no doubt in my mind that the success and achievement of the friends group this past year is down to the leadership and commitment of Georgina, who has given so much time to the school and I would personally like to thank her for all her hard work and time for the benefit of the school, staff and children. I hope that as we head into 22/23, Georgina will continue to fill the role of Chair of Friends as I am sure you will agree that she has done an amazing job.

I'd also like to pass on my thanks to the rest of the committee, who have all supported the mad cap schemes and ideas that have come up during the meetings and I'm already looking forward to seeing the events unfold in the coming year.
